14th July 2009

Dear Member

The 2008/09 Southern Touch Annual General Meeting has been scheduled for Wednesday 9th September 2009, which will include elections for all Southern Touch Board positions.

The current Southern Touch Chairman, Chris Garrett, has advised the Board he will not be in a position to continue as Chairman past the AGM.

Therefore the Board is keen and interested to hear from any member who may be interested becoming involved in the Board in the role of Chairman. Anyone interested in discussing the position, should contact the Southern Touch office on 62441130, and the staff will arrange for a Board member to follow up with you.
